

# The Cinderella Project of New Hampshire

*Where every young woman is a princess.*

The Cinderella Project of New Hampshire, a non-profit formed in 2002, provides special occasion gowns and accessories free of charge to girls who are in financial distress and would otherwise be prevented from attending their school's special events.

"Boutiques" are set up on specific days during the weeks prior to special events so that eligible girls can browse through 100's of dresses and select the dress of their dreams.

Additional information and upcoming boutiques are posted online at [www.thecinderellaprojectofnh.org](http://www.thecinderellaprojectofnh.org).
